Nail Polish Line-up

Classic

#ENTH_CLASSIC #ENTH_STANDARD

The All-Time Classic Nail Polish is a long-time customer favorite with its perfect balance of glossiness and durability, formulated based on ENTH's deep experience and know-how.

Ultra

#ULTRA_SELF-NAIL #NO_DAMAGE_BUT_HIGH_EFFECT
#INNOVATION

The Ultra is a hybrid nail polish that provides the glossiness and durability of gel polish, without the need for UV curing. Formulated with oligomer, monomer and photo-initiators, the main ingredients of gel polish, but without the tedious curing and soak-off procedures of a typical gel manicure.

Gel-like

#PLUMPY #NEAT_THICK #GLOSSY

The Gel-like Nail Polish is unlike typical nail polishes with its smooth and elevated finish that makes it hard to believe it's not really gel.

Quick Dry

#1_MINUTE_DRY #CONVENIENT #EASY

The Quick Dry Formula polish is for the busy, modern client, providing a beautiful manicure in a quick session with rapid drying under 90 seconds.
